AUSTRALIAN CHAMPIONSHIPS OF 1964-65

The rapidly developing area of Edinburgh to the north of Adelaide, was the venue for the biennial 50 Kilometres Road Walking Championship of Australia, which was held on the 6th June in fine though somewhat windy weather.

The biennial Marathon Championship of Australia was held on July 10th 1964 over a course in the industrial suburb of Dotany on the south eastern outskirts of the City of Sydney. The weather was fine.

Hobart was unable to provide Steeplechase facilities, and the 3,000 Metres Steeplechase Championship of Australia was held at Olympic Park, Melbourne in good weather on the 13th February 1965.

The 1965 Track and Field Championships of Australia were held on February 20th and 21st at North Hobart Oval, Tasmania, and were favoured with fine and sunny weather, rather warm on the concluding day. The unsuitable shape and difficult levels of the ground were offset in part by the care which had been given to the preparation of the grass surface.

The Track and Field Championships were followed at North Hobart Oval on February 22nd and 23rd by the Decathlon Championship of Australia. Again the weather conditions were favourable.

AUSTRALIAN RANKING LISTS FOR 1964-65

The listings which follow cover the period from April 1st, 1964 to March 31st, 1965. Wind assisted performances in the events referred to in I.A.A.F. Rule 24 (4)(g), have been, as far as possible, excluded.

Each list shows the Ten Best Performances in the event. The number of individual athletes may thus vary from one to ten; or possibly more. Sufficient further individual performances are listed to bring the number of athletes to (in most cases) at least twenty. Thus each list shows the Ten Best Performances and the twenty (in some cases Ten) Best Performers in the event.

In the case where a Ranked Performance, other than one coming within the Ten Best Performances, has been later equalled during the period by the same athlete, only the Original Performance has been listed.

The Yearly Averages of the Ten Best Performances in each event which have been included in previous editions of this Almanac have been dropped from this year's issue, but the statistically more significant figures for the Performance of the Tenth or Twentieth (as the case may be) Ranked Athlete have been retained.

Full information for conversion of all scores to a common basis is not available. However, the performances of J.F. O'Neill (Best) and K. Grimm (10th), if scored on the 1950 tables, would give totals of 6233 and 5140 points respectively.

(2) Leane in 1953-54, Cann in 1955-56, and Sumich in 1963-64 each had some wind assistance in the 100 Metres, Long Jump and 110 Metres Hurdles.
